OVERVIEW

This job aid details how to run the BI reports. Make sure you have completed all your report desktop settings before running the queries.

RU CUSTOM/REPORTS

1. Log in to my.rutgers.edu and select the Financial Management System tile.

2. Select the double arrows and **Shared Folders**.

3. Select **Custom>RU Custom**.
4. Select one of the reports from the folders.

**Note:**
- ATC Reports folder=General Ledger Reports
- Global Reports folder=Reports with Global Access
- PGM Reports=Sponsored and Non Sponsored Reports
- PTP Reports=Procurement Reports
- SEC Reports=Security
5. You Also can select Browse Catalog on the right hand side of the screen and navigate to you reports that way.

6. Select one of the folders. As an example, **PGM Reports**. You can open one of the reports by clicking on the name.
7. Enter the report parameters. For example, enter a **Project Number** or use the drop down arrow to search for one.

If you search for the parameter ensure you highlight your search results and click **OK**.

8. After you enter your parameters click the **Apply** button to run the report.

9. The report opens in excel You can export the report to excel by selecting the **Export link** on the bottom left of the report.
